## 4EU+ and IOM: Joining Forces on Migration Research

The 4EU+ European University Alliance and the International Organization for Migration (IOM) have launched a **strategic research partnership** to connect academic expertise with policy and practice. Building on interdisciplinary strengths, the collaboration addresses key migration-related challenges in Europe, including global health, social inclusion, mobility, and human rights. By combining **4EU+ research capacity** with **IOM's operational experience**, the partnership aims to strengthen research, training, and impact at societal and policymaking levels.
